

Connect. Inspire. Learn.

WWBN Leadership Team

Thanks for your interest in the WWBN Leadership Team! Volunteering in this capacity will help you further develop your leadership skills and provide you with greater voice in the WWBN community. You'll receive increased visibility as a result, thereby growing your brand and business.

All positions on the Leadership Team will be integral parts in the effective operation of WWBN. Ideally you will serve a minimum 6 month term in a volunteer capacity.

SOCIAL DIRECTOR

As the Social Director, you get to plan Member-Only social events to increase our member experience. You're a fun, creative person who can think outside the box and engage others. This position is ideal for a take-charge, go getter who likes to see things through beginning to end.

Let's work towards one fun, interactive social event per quarter.

You can work alone or engage a team to complete the role:

- Conceptualize the event
- Post it in our private Facebook group and on the public page to create excitement in our wider WWBN community
- manage the inquiries / registration
- work with the venue on arrangements.
